4 December 2026 - Benoa, Bali

Embarkation 4/12/2026 From 4:00 pm to 5:00 pm. Departure 4/12/2026 at 6:00 pm

If it's a taste of exotic authenticity you're after, prepare to be spell-bound by the island of Bali, tucked away in the heart of the Indonesian archipelago. The beauty and diversity of its landscapes, the depth and richness of its cultural heritage and the plethora of activities on offer here make Bali a little slice of heaven on Earth. The island's southern coast enthralls with its white sand beaches, its picturesque little fishing villages such as Benoa, and its hills patchworked with terraced rice paddies further inland. Nicknamed 'the Island of Gods' for its sumptuous temples, Bali is the beating heart of Indonesian Hinduism.

5 December 2026 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

6 December 2026 - Komodo National Park

Between the islands of Sumbawa and Florès, Komodo National Park welcomes you to discover its natural wonders. At the very heart of the Indonesian archipelago, the three islands that form it – Komodo, Rinca and Padar - owe their renown to the famous eponymous dragons, enormous lizards over two metres long, which live in its grassy savannah. This jagged and hilly volcanic territory belonging to the Sunda Islands is a UNESCO World Heritage Site because of its incredible terrestrial and marine biodiversity. Admire its palette of colours, intermingling the sparkling whites of the beaches, the deep blues of the coral-filled water and the soft greens of its pastures.

7 December 2026 - Maumere, Flores

Floresians have an ancient culture stretching back millennia before the first arrival of Europeans in search of trade opportunities. Their history is shared through oral traditions and is recreated in song and dance. The mountainous terrain of Flores has preserved the diversity of cultures and Maumere serves as the capital of the Sikka district and main trading port. Few tourists make it to Maumere with most stopping at Labuan Bajo and heading west to the islands of Komodo. Consequently, Maumere has kept its charming atmosphere, an eclectic mix of a bustling trading town and a coastal paradise. Join your expedition team and local guides for a tour by local transport to the markets and tribal villages in the hinterland of Maumere.

8 December 2026 - Kalabahi, Alor

The unique culture of the Alorese continues among the Takpala indigenous group who have preserved their traditional architecture and ceremonies. The island of Alor is also known as the island of a Thousand Moko's. The Moko is a small bronze kettledrum which is believed to have originated from the Dong Son culture of Vietnam. However, it remains a mystery as to how these prehistoric Dong Son drums arrived in Alor. Local legend says that the Moko's were discovered buried in the ground, and indeed mokos are still being uncovered today. Join the expedition team and local guides for a tour by local transport to Takpala village, the Museum of a Thousand Mokos and the thriving main market of Kalabahi.

9 December 2026 - Barat Daya Islands

If you are looking for exoticism and authenticity, then you will be captivated by the Barat Daya Islands, an Indonesian archipelago lying to the east of the Lesser Sunda Islands, bathed by the Banda Sea and surrounded by coral reefs. With their fine sandy beaches, marine environments, preserved nature and paddy fields, these islands in the Maluku archipelago are a real concentration of the beauty South-East Asia has to offer. A lush environment in which fauna and

flora flourish. Notably, there are almost 162 different bird species including four endemic ones and three endangered ones.

10 December 2026 - Banda Neira, Maluku Islands

From age-old traditional cultures and ancient vestiges, to coral reefs and lush green jungle... The attractions of the remote Banda archipelago seem endless. Better known as the legendary “Spice Islands” of the Ancient World, these small volcanic landmasses were the fabled prize of colonial powers for more than four centuries. Every colonial power of significance fought for control of these ten small islands that today have become largely forgotten. Walking the streets of Banda Neira is a surreal experience as your eyes are drawn to the eclectic mix of Portuguese, Dutch and British architecture, the remnants of a rich and tumultuous history. It is without doubt the most historically significant and interesting of all the “Spice Islands”.

11 December 2026 - Kitikiti Waterfall, Mommon

North of Triton Bay, in the Indonesian province of West Papua, lie the Bomberai Peninsula and Sebakor Bay. A real paradise for divers, this protected, authentic and very wild area boasts an exceptional biodiversity. Here, you will be able to admire the superb Kitikiti Waterfall where you could enjoy a swim or snorkel surrounded by lush nature, both on land and under water.

Triton Bay, West Papua

12 December 2026 - Triton Bay, West Papua

Triton Bay is one of three regions in Indonesia’s West Papua province that comprise the Bird’s Head Seascape (the other two are Raja Ampat and Cenderawasih Bay), which is now considered by marine biologists to be the epicentre of the Coral Triangle. It contains more fish and coral species than anywhere else on the planet. Its unparalleled marine biodiversity and endemism, habitat richness, and relatively intact nature of its ecosystems are unique. Join your expedition team for a zodiac voyage through the spectacular rainforest capped karst islands. Later in the day enjoy the opportunity to explore the richness of the underwater realm.

13 December 2026 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. A truly enchanted interlude, combining comfort, rest and entertainment.

14 December 2026 - Asmat, Papua

Occupying half the Island of New Guinea, Western New Guinea (once known as Irian Jaya) is one of the most remote and mysterious regions of the world. Even today, there are at least 44 tribes that have never had contact with the outside world. Nestled in the South West corner of the island is the Asmat region, long fabled as the realm of head-hunters and cannibals. Where ancient traditions of ancestor worship have resisted the influence of Christian missionaries. Today’s expedition starts with a zodiac transfer to the village of Syuru where you will be met by a

multitude of Asmat warrior canoes. Once ashore a traditional ceremony will take place. In the afternoon guests can undertake a guided walking tour of Agats township.

15 December 2026 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. A truly enchanted interlude, combining comfort, rest and entertainment.

16 December 2026 - Cape York

Cape York Peninsula is a large remote peninsula located at the tip of North Eastern Australia. The region has been described as the largest unspoiled wilderness in Australia. The relatively undisturbed eucalyptus wooded savannahs, tropical rainforests and other types of habitat are now recognised for their global environmental significance. At the tip of the peninsula lies Cape York, the northernmost point on the Australian continent, that usually takes travellers 5–7 days over some of the planet's toughest and remotest roads. The easiest way to "stand on the tip" is to take a luxury voyage, be transferred ashore by ship's zodiac directly onto the beach and walk the last 500m!

17 December 2026 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. A truly enchanted interlude, combining comfort, rest and entertainment.

18 December 2026 - Lizard Island

Lizard Island is the northernmost resort Island on the Great Barrier Reef and boasts 24 powdery white sand beaches. Dominated by grasslands, the rugged beauty of Lizard Island contrasts sharply with the sparkling blue waters and rich fringing coral reefs surrounding the island. Lizard Island is known as Dyiigurra to the Dinggaal Aboriginal people and is regarded as a sacred place. It was used for the initiation of young males and for the harvesting of shellfish, turtles, dugongs and fish. The Dinggaal believe that the Lizard group of islands had been created in the Dreamtime. After a short zodiac ride to the beach at Watson's Bay, guests can join a guided walk, relax on the beach or snorkel in the warm clear waters and view the clam gardens...

19 December 2026 - Cairns

Washed by the Coral Sea, the harbour town of Cairns is located on Australia's north-east coast. The seafront esplanade is a popular place for locals and visitors to walk, swim and picnic under the shade of swaying palm trees. The hills surrounding Cairns form the gateway to the Queensland Rainforests, proclaimed a UNESCO World Heritage site for their fauna and flora from the Gondwana era.
